

TO OUR PATIENTS

There are 1000's of insurance plans in America.
Therefore, it is impossible for our offices to know the covered benefits
of all insurance plans.

It is the responsibility of the ***PATIENT*** to know and understand policies
and benefits of their insurance plan. These include but are not limited to:

1. Required referrals obtained and presented prior to service being rendered.
2. Co-Payments.
3. Covered hospital, laboratory, x-ray, homecare company and pharmacy facilities.
4. Necessary prior authorization needs and procedures.
5. Current claim address and phone number.

**PLEASE PRESENT ANY CHANGES OF ADDRESS,
